Pols, partiendo del terrazo y con una inspiración mediterránea, se ha conseguido dar forma a una colección sin igual de tonos atemporales que hacen alusión al mar. Utilizando lo que el mar nos proporciona y una cuidada gráfica dan forma a un nuevo concepto estético.

Out of nostalgia for terrazzo and passion for the Mediterranean comes this collection of peaceful and quiet colors that seeks to capture the emotion of the sea through sand and seashells. A concept that shows us how to conceive new materials linked to the nature of the environment, aesthetics in balance and timelessness.
